- For Families Raising Preschoolers with Special Needs -

Establishing a Positive Bathroom Routine:

The "POOP" on Toileting

Are you struggling with toilet training your young child with special needs?

Bring your questions and concerns to this parenting **SERIES** featuring **Jene Wilson** former behavior specialist with **CCBDD** and currently a faculty member at **Notre Dame College**. Jene will help parents understand the signs of toileting readiness, the challenges of teaching toileting and some strategies for success. There will be ample opportunity to ask questions and seek strategies specific to your child. **A commitment to both sessions is highly recommended!**
